

An Evening with Gregory Basco of Deep Green Photography

RAINFOREST IMAGES

FROM

COSTA RICA

Greg is a highly acclaimed nature photographer specializing in the rainforests of Costa Rica. He has been published in National Geographic, Newsweek, Nat Geo Kids, Sierra Club just to name a few. Greg has also had images honored in BBC/Veolia Wildlife Photographer of the Year (the most prestigious nature photography competition in the world) and has received honors for images in the Nature's Best Windland Rice Smith contest (the most prestigious nature photography competition in North America).

Visit Greg's website by [clicking here](#) to view his captivating portfolio.

Greg will be sharing his knowledge and passion for Costa Rica with the QC photography club and our neighboring camera clubs on:

Thursday evening, January 19th, 2012
from 6:30 - 9:00 pm
at [the Steeplegate Inn](#)
Davenport, IA

There is a minimal charge of \$10 if you sign up before Jan 19th or \$15 at the door (if there are seats available) for this amazing presentation. Only 42 seats remain available and 7 neighboring clubs are being invited.
